

Dear Policyholder/Claimant:

You are about to complete our online Property Loss Notice to report a claim for your Businessowner's Policy. Information gathered in this way expedites (but does not replace) the formal claims reporting process. Once this form has been completed, you should save a copy to either (1) upload the file by selecting **For Businesses>Info/Picture Upload** at www.guard.com OR (2) e-mail the pdf to claims3@guard.com. (Printing the pages will not be possible.) Upon receipt by us, you can expect a Berkshire Hathaway GUARD Representative to be contacting you in the near future to complete the process and get the official paperwork filed on your behalf.

Reminders:

- Report all claims to us immediately upon learning of a loss. Timing is critical in securing evidence!
- If applicable, document the names and contact information of everyone who witnessed the loss or came to the scene afterwards.
- If the weather conditions played a role in the loss, include the circumstances.
- Document any factors (such as foreign substances) that may have contributed to the loss.
- Photograph the location/scene of the occurrence; remember, cell phone cameras are often readily available.
- Take all reasonable steps to protect the property from further damage, keeping a record of any expenses incurred in that process for consideration in the settlement. (However, note that we will not pay for any subsequent loss or damage resulting from an occurrence that is not a "Covered Cause of Loss." Refer to your policy for more information.)
- If possible, set the damaged property aside for examination.
